REPORT OF PUBLIC LIBRARY

This year was again a very busy one for our library. Over 6,000 books were circulated. 416 new books were added to our collection. We were fortunate to have an excellent large collection of books given in memory of Mr. and Mrs. Thomas Martin. Memorial books were also given in memory of Linda Burke, by her friends and classmates. We are now subscribing to the following magazines: Better Homes and Gardens, Current History, Good Housekeeping, Hot Rod, Life, National Geographic, Natural History, New York Times Book Review, Newsweek, Scientific American, Seventeen, Highlights for children, and Consumers Bulletin Annual Guide.

The Friends of the Library group has been active this year, helping with activities during National Library Week and Children's Book Week. They also conducted the annual food sale which was very successful. Our library was honored by being chosen as the "Outstanding New Hampshire Library for 1964," by the New Hampshire Library Trustees Association. We received this award because the library has increased the number of hours it is open, because our town has increased the library appropriation to a more realistic figure, and because we have recently formed an active "Friends of the Library" group of which Mrs. Gloria Grant is the chairman.

Our proposed budget for 1965 is as follows:

Books	\$900.00
Salary	900.00
Supplies	80.00
Social Security	30.00
Janitor services	30.00
Miscellaneous	10.00

REPORT OF FOREST FIRE WARDEN

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2,280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86 per cent wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area—4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine co-operation during the past fire season and with your continued co-operation we are confident that we can improve our fire record in 1965.

Report of School Superintendent

This year, Bartlett has more students enrolled at Kennett High School than any other sending school district. Eighty students is a high of Bartlett, and this number will probably decrease in the next few years. It is noteworthy that Bartlett's children stay in high school until graduation. The drop-out rate is almost negligible.

Bartlett has an excellent school plant, and it is well equipped. However, the excellence of a school program is determined by its teachers, and Bartlett has an excellent elementary school staff. This program could only be improved if we could some day have one teacher per grade, but unless Jackson votes to send its children to Bartlett, this probably will not happen for some time.

I want to express my appreciation to the Bartlett School Board for their assistance in the administration of school affairs. It has been a real pleasure working with Jean Garland, Myrtle Taylor, and Burton Patch. One couldn't find a more sincere, dedicated, hard-working committee than the Bartlett School Board.

Respectfully submitted,

DAVID APPLETON

Superintendent of Schools
